The premiere of this unique event titled "Walk of Life – The Healing Experience of Music," will take place this Saturday at the Donald R. Wright Auditorium – Pasadena Central Library.

Tom Powers (Robert Eberl) conveys his important message through music that's used for energy transmission ([click here for samples](#)).

When Tom was seriously ill of chronic conditions, he used music as a way to activate his self-healing power and help him bypass the mental barriers that prevent self-healing. His story is an example of how the unique power of music, can address chakras, nerves and the body's energy field to ultimately support listeners in lowering stress, and calming the mind.

"Walk of Life – The Healing Experience of Music" presented by the Festival of Senses at the Donald R. Wright Auditorium

Dignitaries and celebrity guests are expected at the premiere of "Walk of Life – The Healing Experience of Music" including Terry Tornek, Mayor of Pasadena, and Clay Drayton, songwriter and arranger on Diana Ross's certified gold record and the Consul General of Austria.
